SIGNATURE TRAINING SERIES

Restorative Justice 101-106

A transformational professional learning series designed to equip educators, organizations, and leaders with practical restorative and healing-informed strategies for real-world implementation.

RJ 101

Foundations of Restorative Justice

Understanding the principles, philosophy, language, and purpose of restorative approaches while shifting from punitive mindsets toward restoration, accountability, and human connection.

RJ 102

Real-Life Applications & Community Building

Exploring how restorative practices strengthen relationships, communication, trust and community within educational and organizational spaces.

RJ 103

Trauma, Empathy & Healing-Informed Practices

Understanding the impact of trauma, emotional safety, identity, and empathy while creating brave and healing-centered environments that support belonging and resilience.

RJ 104

Building Social Capital & Restoring Humanity

Examining the power of connection, reciprocity, village-building, and authentic human engagement as tools for sustainable transformation and collective healing.

RJ 105

Ethical Restorative Leadership & Accountability

Equipping participants with restorative leadership tools rooted in ethics, accountability, equity, and compassionate conflict resolution. This training explores ethical communication, power dynamics, intent versus impact, professional responsibility, restorative responses to harm, and healing-centered leadership practices that strengthen organizational culture and community trust.

Key focus areas include:

- Ethical decision-making
- Accountability without shame
- Boundaries in restorative spaces
- Leadership & positionality
- Equity-centered communication
- Conflict navigation and repair
- Humanizing systems and practices

RJ 106

Implementation, Sustainability & Systems Transformation

Supporting organizations and educational institutions in creating actionable restorative systems, policies, implementation strategies, and long-term culture transformation.

AVAILABLE TRAINING FORMATS

- Keynote Presentations
- Half-Day Workshops
- Full Day Institutes
- Summer Institutes
- Leadership Cohorts
- District-Wide Professional Development
- Train-the-Trainer Models
- Retreat Experiences
- Conference Sessions & Panels
- Customized Organizational Trainings

Dr. Shaniqua Jones

ABOUT DR. SHANIQUA JONES

Dr. Shaniqua Jones is an internationally emerging Restorative Justice Practitioner Expert, educational leader, speaker, consultant, and founder of Purple Path. With over a decade of experience supporting youth, families, educators, and communities, Dr. Jones is known for her transformative approach to healing-informed leadership and restorative systems change.

She is the creator of the Jones Theory of Restorative Community Practices and presenter of the TEDx Talk:

"From Trauma to Healing: The 5 Rs to Restorative Justice"

Her work has impacted schools, organizations, healthcare systems, nonprofits, and communities through powerful conversations rooted in restoration, humanity, accountability, and radical love.

BRING PURPLE PATH TO YOUR SCHOOL OR ORGANIZATION

Partner with Purple Path to create restorative, healing-centered environments that empower educators, strengthen communities, and support sustainable transformation.
